

**Sent:** June 19, 2020  
**Subject:** City of Toronto Recovery & Rebuild Survey

## THE CITY WOULD LIKE TO HEAR FROM YOU

The City has created an *Office of Recovery & Rebuild*, which has compiled a survey for residents to complete. Our Councillor for Ward 8, Mike Colle, has shared the link with us and asked us to spread the word.

The purpose of the survey is to gather input from various communities on how Toronto can best recover from COVID-19 and come out even stronger following the pandemic.

Please take a few minutes to complete the survey. It takes 10-15 minutes and will remain 100% anonymous. We each have a voice – please let's use it!

Please click on this link to complete the survey **no later than Tuesday June 30**: [RECOVERY & REBUILD SURVEY](#)

As always, for information on COVID-19, we encourage everyone to refer to the three government websites, and not to rely on third party sites that may inadvertently provide inaccurate or outdated information.

- [City of Toronto](#)
- [Province of Ontario](#)
- [Government of Canada](#)

Wishing everyone continued safety, good health and a lovely weekend,

Board of Directors  
Bedford Park Residents Organization
