Subject: Student Graduations

IMMEDIATE ACTION NEEDED

Has everyone seen the many lawns up and down our streets that bring attention to school graduates this month? Well, we've made a quick decision to try to pull together a **Special Edition Newsletter** to celebrate each and every graduating student in Bedford Park.

Ambitious? Yup! Possible? Absolutely ... *but we will need everyone's help to do it!*

If you're willing, please knock on the door of a house (or several) near you that has one of these lawn signs, and collect the following:

- Student's full name, school name, Grade 8 or 12 or ... ? (we've heard there's a sign for a kindergarten grad ... how adorable!)
- Parents name, street address, email address
- Take a photo of the sign on your phone
- Better yet, take a photo of the student standing beside their sign
- DO THIS ASAP BEFORE THE SIGNS COME DOWN
- email the above to us at info@bprotoronto.ca

It will be ideal if you can do this today or tomorrow, but we will make next Thursday July 2nd the cut-off date.

We're counting on a sense of community and willingness for this idea be realized. We have lots of names on our distribution list, but some of the parents of those grads won't receive this email to submit themselves - so they'll be counting *on you* to do this for them.

Let's do it! The sun is shining today - please go for a quick walk and help make this happen. All social distancing recommendations should be observed, but of course!
