Dear Neighbour,

BPRO is offering to be a special communications hub for those in need during these turbulent times. If you are isolated or quarantined and need help – whether for groceries, prescriptions, pet food or even just a friendly phone call, please contact us. We will send your need out to the community (anonymously) with the intent that someone will respond and offer to come to your assistance, free of charge.

Best ways to contact us. If you are in need, please reach out now!

- Phone and leave a message at 647-560-BPRO (2776)
- Email us at info@bprotoronto.ca
- Facebook at <http://tiny.cc/bprofbgrp>

Please stay well informed by using the following websites as your primary resources:

- [City of Toronto](#)
- [Province of Ontario](#)
- [Government of Canada](#)

We will get through this together, as a community, if we help each other out.

Warm regards,

BPRO
